	University of Nebraska- Kearney Athletic Training Education Program	<p>UNK has been awarded the new Master of Athletic Training by the Nebraska Coordinating Commission on Post-Secondary Education. Begin your bachelor's degree in Exercise Science, Teacher Education or other related field, complete your master's program application and declare in your junior year. Starting in 2018-19, UNK will offer the Master of Athletic Training. The program will have two points of entry: 5-year (3 +2 undergraduate to graduate program) and a 2-year traditional graduate program. Visit http://www.unk.edu/academics/hperls/athletic_training.php to learn more.</p>

	<p>Barton Community College Sports Medicine</p>	<p>The Barton Community College Sports Medicine Department is looking for individuals interested in joining their student athletic training staff while pursuing his/her educational interest. The department provides injury prevention, recognition and evaluation, immediate management, and rehabilitation activities for each of their 22 teams. When assigned to work with a specific sport, this includes attending all practice sessions, covering home events, and usually travelling with the team for events held off campus.</p> <p>ACADEMIC OPPORTUNITY Student athletic trainers are given the opportunity to complete a two-year curriculum designed for transfer into almost any college/university academic program. Special courses of study are offered for the student interested in pursuing a career in athletic training, physical therapy, exercise science, and other avenues of medicine or allied health care.</p> <p>TUITION & BOOKS OPPORTUNITY Each student receives a tuition and books performance award to help meet college expenses. Interested students are encouraged to visit: http://www.bartonsports.com/information/sportsmedicine/index</p>
	<p>Caterpillar Dealer Technician Program</p>	<p>Looking for a challenging and rewarding career? The Caterpillar Dealer Technician Program, Think BIG, is a cooperative two-year, college education program that leads to an Associate in Applied Science degree with a major in Caterpillar Service Technology. The Heavy Equipment and Vehicle Institute (HEVi) at Oklahoma State University Institute of Technology and State Technical College of Missouri, are partners with Foley Equipment. Program Benefits: Paid Internships—learn & earn; College degree; Caterpillar-specific training; Career path with a secure future. Learn more at https://www.foleyeq.com/thinkbig.html.</p>

Courses are held at Southeast Community College, Milford, Nebraska. Contact your local Murphy Tractor for more information 855-246-9124.</p>

	<p>UMKC School of Medicine Baccalaureate and Doctor of Medicine in a Six-Year Program</p>	<p>As a UMKC medical student, students will receive a strong foundation in medicine through an integrated curriculum and docent experience. The docent experience allows a student to have early and continuous interactions with patients and physicians, interactions that begin immediately in the first year of the program. Many students choose the UMKC School of Medicine because of this early exposure to medicine and the clinical experiences they will have throughout the six years.</p> <p>The process for admitting students is holistic, with equal weight given to both cognitive characteristics and non-cognitive characteristics. To begin preparing for the six-year program, students are encouraged to take challenging high school coursework, leadership roles in student organizations and activities and demonstrating a commitment to health care through involvement in health care experiences. Learn more at: www.med.umkc.edu.</p>
	<p>O’Brate Dual Credit Scholarship</p>	<p>The O’Brate Foundation desires for all students to have the ability to take college courses while in high school. Scholarships are provided to students with limited resources, who would not otherwise be able to take dual credit courses. Go to https://obratefdn.smapply.org/ and complete the eligibility criteria after creating an account to be given access to the application. Priority consideration is given to students who apply prior to or early in the semester.</p> <p>Eligibility Criteria</p> <ul style="list-style-type: none"> • Financial need • Minimum of a 2.5 GPA • Work Experience • Drive and determination to succeed
	<p>HaysMed Surgical Waiting Room Volunteer Program</p>	<p>Volunteering at HaysMed is a great opportunity for students if they are interested in healthcare as a career. The Surgical Waiting Room Volunteer Program is new this year. Students must be 14 years of age and not be afraid to interact with family members and patients. Volunteers will visit with family members, escort visitors where they need to go, answer the phone in the surgical waiting room, etc. There is an application process and orientation. All volunteers need a TB skin test and flu shot to volunteer at the hospital; both are offered free of charge at HaysMed. The program is from 3:00 p.m. to 5:30 p.m. See your counselor for details.</p>

	<p>Gettysburg College Summer Camps</p>	<p>Gettysburg College is excited to offer several opportunities for high school juniors and sophomores to attend academic camps over the summer months. Subjects include psychology, American government, history, creative writing, or information technology. Please find information to share with your students about our academic camps below:</p> <ul style="list-style-type: none"> • Camp Psych - Campers will get hands-on experiences that introduce them to research in psychology during this fun, challenging, and engaging introduction to the field. • Campaigns and Elections Academy - This program is designed for highly-motivated students who have a strong interest in American campaigns and elections. Participants learn about the origins and evolution of democracy in America and gain hands-on experiences related to modern political campaigns. • Writing Camp - Students gain an in-depth introduction to all four genres of creative writing: fiction, poetry, nonfiction, and writing for stage and screen. • 3D Object Modeling and Printing Camp - Students will study 3D object modeling and printing starting with the basics of a 3D printer. After learning the fundamentals, they will practice designing objects. • Coding for Robotics & Electronics Camp - Students will gain hands-on experiences in coding, wiring, hardware, and building robots through the open source software known as Arduino. Throughout this camp, campers will learn basic electrical engineering, the physics behind electricity, and how to think like a scientist. • Civil War Institute Summer Conference - The High School Student Scholarship component of Gettysburg College's annual Civil War Institute summer conference provides high school students an opportunity to explore the history of the Civil War era on the site of the war's most decisive battle.
	<p>Duke Summer College</p>	<ul style="list-style-type: none"> • Summer College Application – A four-week, credit-bearing program for US students currently in 10th or 11th grade and international students currently in 10th – 12th grade in which they take undergraduate-level courses. • Summer Academy Application – A three-week program for students currently in 9th – 12th grade in which they take a certificate course. • Intensive STEM Academy Application – A one-week, STEM-based program for students currently in 9th – 12th grade that consists of a variety of laboratory tours, faculty lectures, and workshops.

*Register By: April 30 *Event Dates: June 3 - 8	The American Legion Boys State of KS Leadership Academy (Juniors 2017-2018)	Boys State will introduce student to civic responsibility, strengthen confidence, inspire leadership, and build friendships with other delegates. Boys State is a practical opportunity to learn leadership skills through role-play civic exercises. Colleges and universities recognize Boys State graduates as advanced and dedicated young men. Must be a male junior in high school (2017-2018 term), be in the upper half of your class, be a self-starter, and be involved in extracurricular activities in your school and community. Total fee for the 2018 session of Boys State is \$325. In most situations, a delegate or their family pays \$50 and a sponsoring organization pays the remaining \$275. Both fees must accompany the application which must be postmarked by April 30. No refunds after May 1. <u>There are a few organizations around Hays that MAY be able to pay for part or all of the \$275. This would be on a “first come, first served” basis, so if you are interested in attending, please let your counselor know ASAP!</u> For more information and application: www.kansasboysstate.org/apply
